Journal of Chronotherapy and Drug Delivery The journal requires Vancouver System of reference citation. In text, the references are to be numbered as superscript numbers. All references should be gathered and placed at the end of the text. References are to be listed in the same sequence in which they have been quoted in the text. Each reference must list every author (et al. is not acceptable). When referencing a journal, do not include the journal's issue number.

The total number of References should normally be restricted to a maximum of 30 for an Original Research Article, whereas, Review Articles can have upto 300 references.
